

NORTHEAST PUBLIC POWER ASSOCIATION

presents an

Engineering and Technical Roundtable

Date: Wednesday, April 28, 2010

Place: Devens Common Center
Devens, Massachusetts

Time: 9:00 AM – 2:30 PM (Lunch included)

NEPPA will host an Engineering and Technical Roundtable on April 28 at the Devens Common Center in Devens, Massachusetts (directions below). All NEPPA members are invited to attend. The following presentations are planned:

- **SCADA Systems** (by Hometown Connections / Survalent Technology)
- **Communications Protocols / Fiber Optic Communications** (by Robinson Sales, Inc. / Schweitzer Engineering Laboratories)
- **Arc Flash Compliance Study** (by Three-C Electrical Company, Inc.)

To Register

All participants must register in advance. Please complete the following information and FAX to NEPPA at 508-482-0932 by no later than April 9th. The cost is \$40 per person for NEPPA members and \$60 for non-members. Utilities and companies will be billed for participants upon receipt of registrations.
